### **Attendance Matters**

**After the disruptions caused by Covid, 2023 hasn't started as smoothly as we would have hoped.** We realise that there have **been a number of reasons as to why our children haven't been** able to attend regularly so far this year and that they have been beyond the control of both parents and children. This makes it even more important than ever that children attend school every day that they are able to for the rest of the year.

With this newsletter you will be receiving a leaflet regarding the **schools' systems to encourage regular attendance, and processes** for informing the school if your child is going to be away. If you have any issues or concerns that you feel the school can help you with please contact Amanda Willett [awillett@katikati.school.nz](mailto:awillett@katikati.school.nz) (Deputy Principal Senior School) or Anne Morriss [amorriss@katikati.school.nz](mailto:amorriss@katikati.school.nz) (Deputy Principal Junior School). The Community Centre also has a Community Connector called Angela Wallace. Angela can help you find support agencies and is a good first point of contact if you have any social or welfare concerns. Her number is 020 4070 4426.

### **End of Term One**

The end of term one is coming up quickly. The last day of term is Thursday 6<sup>th</sup> April. Term 2 begins on the 26<sup>th</sup> April.

**Tremains Fund Raiser:** Thanks to Angela Fowler and Eden Campbell from Tremains Real Estate, if you or any of your friends or family list their property with Tremains they can nominate the school to receive \$500 once the sale goes through. This is a generous fund raiser for our school, so if you know of anyone selling their home with Tremains it would be great if you could encourage them to nominate our school to receive the donation.

**Mufti Day:** A quick reminder that there will be a Mufti Day on Thursday the 30th of March so the children can leave their uniforms at home that day. Please make sure that what the children decide to wear is appropriate for a day at school – thanks.

## Supporting our School

A huge thank you for supporting us during the strike action which was taken on the 16<sup>th</sup> March. We are still waiting to see what offer the government is going to make. Our biggest focus is on increasing staffing levels so we can reduce class sizes and provide additional support for children in need. After the disruptions caused by Covid, this is more important than ever. We have seen an increase in the levels of trauma being suffered by our children and we want to accelerate learning for those who have fallen behind due to lockdowns and periods of isolation.

Thanks again for your support while we try to get the best deal possible for our children.

## Whole School Open Afternoon

Please put the 5<sup>th</sup> April into your diary and come along to our Open Afternoon if you are able. From 2pm you are welcome to pop into **your children's classrooms to see what they have been working on this term and to meet their teacher if you haven't been able to** already. We look forward to seeing you.

## WBOP Swimming

Congratulations to our top swimmers who have won a place in the Western Bay of Plenty competition coming up on the 5<sup>th</sup> April. This is a huge achievement, more information can be found on our sports page.

**School Cross Country:** We are looking forward to our Whole School Cross Country which is coming up next term. We will start practising at the beginning of term 2. It would be good for the children to get out there and start building their fitness over the holidays.

## Parents of the School (POTS):

Just a reminder that POTS have their AGM at 5.00pm today in the school staffroom. POTS are an amazing group of parents who help with fundraising to support our kids. They would love some new members. Please come along this evening if you are able or contact Dannae on 021 169 9992 if you would like more information. This is a great way to meet other parents and get involved with our fabulous school

## Kea Crossing

You may have noticed a new road crossing on Park Road. From the beginning of next term, this crossing will be operating straight after school. It will provide a safe place for the children to cross, to avoid them walking past the pre school and the dairy with cars reversing out across the pavement. If your child needs to cross Park Road, please encourage them to use this crossing which will be manned after school each day.

## ERICA Community Cards

We have our first Bronze winners for 2023. Huge congratulations go to Vicky Wang, Alicia Kurniawan, Diyabeen Patel and Daphne Warren. They have worked hard to earn their Bronze Award this early in the year. They are well on track to reach their All Stars by the end of 2023.

## Children's Belongings

Our lost property is getting full, most items are unnamed. Please **name your children's belongings, uniform, shoes etc.** so we can get them returned to their owners. Thank you.

### Nature Kids Holiday Club – Waihi Beach

These school holidays we are again offering something very special for your children - an opportunity to connect with and explore nature in a nurturing environment, all day. Nature Library and The Nest provide exciting and engaging free play in nature where your children can explore, create and let their imaginations run wild.

In this setting your child will build confidence, self-esteem and a sense of wonder. Making friends and having fun while they are guided by experienced and qualified teachers.

We like to keep our groups small to enable us to connect with and support your child through their nature journey, so spaces are limited!

Our Nature Kids Holiday Programme runs every Wed and Thurs during the holidays and is based at The Nest (Nature Space) in Waihi Beach with Yoga for kids included.

**9am to 3pm. Ages 5 to 12 years. \$65 per child per day.**

For more info or to book:
