First Bronze Award Winners for 2024

ERICA Community Cards are an important part of our positive behaviour system at Katikati Primary School and it is heartening to see children working hard for these awards. Children collect stamps on their cards when they show our school values of Excellence, Respect, Integrity, Citizenship and positive Attitude. To earn a Bronze Award the children have to complete five cards, 10 cards for Silver and 15 cards for Gold. Our top award is our Erica All Stars. Every child who earns a Bronze, Silver or Gold Award receives a wrist band in their house colour. It has been wonderful this term to see our children working so hard to complete their cards and earn their certificates. Thank you to families who have supported our Mufti Day Fundraisers this term as the money raised goes towards buying rewards for our behaviour system.

Over the last two weeks we have had our first children reaching their Bronze Award, putting them well on track to becoming Erica All Stars by the end of the year. Huge congratulations to the following children for being the first to reach their Bronze Awards for 2024:

Room 9—Carlos

Room 18—Sehaj

Room 19—Aya, Skylar, Jordan, Olly, Mitchell, Koen, Indie, Allice

Room 22—Mia

Room 24—June, Lexus, Norman

Room 25—Faith

Room 26— Archie, Navika, Avalon, Aliya, Imogen

Room 27—Kirat, Emmylou

Message from the Board of Trustees

The Katikati Primary School Board of Trustees are committed to providing a safe and healthy environment for students, staff and visitors. We are very alarmed at the increase in incident reports of unsuitable conduct towards KKPS staff this year alone. As a workplace, the Board are bound by the same health and safety laws as any other workplace in which staff have the right to come to work and carry out their work in an environment free from harm (emotional and physical). We are proud of the work our staff do in providing an environment for our tamariki to flourish. As a Board, we are committed to ensuring our staff have the same environment where they can flourish so they can continue to do the fantastic work they do. Please take time to read the KKPS's Code of Conduct for Parents, Caregivers and Visitors. Any breaches of this code of conduct will be taken very seriously. So, please help the Board by ensuring your conduct towards our staff is respectful and adheres to the school's values so everyone can feel happy and safe at our school. Any questions or concerns please reach out to the KKPS BOT kkpsbot@katikati.school.nz.

End of Term One

The end of Term 1 has come around very quickly. The term ends this Friday 12th April and Term 2 begins on the 29th April. Next term there will be two public holidays (3rd June King's Birthday and 28th June Matariki) and there is a Teacher Only Day on the 31st May. The Teacher Only Day has been given by the Ministry of Education to help schools to implement the new curriculum, Katikati College will also be closed on that date.

Sabbatical

Just a reminder that I have a Sabbatical in Term 2 which means that I will be away from the school. Mrs Amanda Willett will be stepping into the role of Acting Principal for the term.

School photos 8th May

School photos will be taken in the second week of Term 2. Each child will have their photograph taken, after which you can have a look at and purchase online if you wish to do so. If you would like to have sibling photographs taken a form will be available from the school office from Term 2 for this to be arranged.

School Open Afternoon

A date for your diary, next term on the 15th May we will be having an Open Afternoon. You are **very welcome to come into your child's class during the afternoon and see what they have been working on.** We hope you can make it.

Pancake Thursdays

As you may know, St.Peters Church, are providing breakfast for students on Thursdays, They chose Thursdays as Katikati College has a later start that day. We are aware that children from the primary school are also going along. If your child is going to the church first thing please be aware of the following: the children should not be leaving our school grounds to go (if you are happy for them to go to the church for breakfast this should happen before they get to school); children need to get to school on time – the college starts later on a Thursday but we start at our normal time 8.45am and most importantly of all please make sure that your children use the **crossing and don't run across the road in front of the church. Beach Road is really busy first** thing in the morning and at the moment sunstrike is making it difficult for drivers to see. If the children are running across the road outside the church, they are putting themselves in danger.

Treasuring our place

After a very successful programme in 2023, we will continue to take part in the Treasuring Our Place Programme, run in consultation between the school and the Western Bay of Plenty Museum. This year we will be focusing on Healthy Forests and Animal and Plant Pests, using visits to our school gully and nursery to support our learning. Each class will participate in 6 in-class sessions and practical sessions over the term in helping look after the gully and nursery.

Term 2 - R26 & R27

Term 3 - R17, R21 & R22

Term 4 - R18 & R19

Mobile Dental Unit

The mobile dental unit will be onsite at your school for Term 2 from Monday 22nd April to Friday 5th July. Our dental team will be seeing the most overdue tamariki/children during this visit and will be prioritising Year 8 students from Katikati College.

Our dental team will notify the whanau and families prior to their tamariki's dental appointment. When you receive this notification, please contact the team to update any contact details, confirm medical details or renew permissions for examination and dental x-rays. Current service demands and delays weigh heavily on our teams and your kindness and support is appreciated.

If you have any queries or urgent dental concerns, contact (021 242 6668) or 0800 TALK TEETH for further help and advice.

POTS Peeps' - Helpers page. Check us out today!

Seasons for Growth Childrens Programs will be running at school again this year.

What is the Seasons for Growth Program?

Seasons for Growth is for children (6-12yrs) experiencing change and loss through family separation; loss, death, imprisonment, or illness of someone they care about; relocation and immigration; living away in out-of-home care; or natural disasters. Seasons for Growth is based on the belief that change and loss are part of life, and grief is a normal response to these losses.

This 8-week program supports children to develop the skills and attitudes to understand and respond well to experiences of change and loss. The program offers children a safe place to come together in small groups and share their experiences. Participants learn that they are not alone in their experience of change and loss and learn skills that help them adapt. Many children enjoy the program so much, they want to do it again!

Level 1: 6-8 years – Katikati Primary School – Fridays – 1:40PM

Level 2: 9-10 years – Katikati Primary School – Fridays – 1:40PM

Level 3: 1-12 years – Katikati Primary School – Mondays – 3.00PM

Enroll online at www.seasonsforgrowth.weebly.com or ask the office for an enrolment form.

For more information call/text the coordinator on 022 0434060 or email katikati@seasons.org.nz
