- ◆ Your child will have everything they need in one pack.
- ◆ Avoids purchasing the incorrect books (incorrect books may be sent home with the requirement you purchase the correct book).
- ◆ Only quality pencils are acceptable – cheap packs of pencils are of poor quality and not acceptable.
- ◆ The quality of the paper used in some of the books bought cheaply is not up to standard and often there are fewer pages in the books.
- ◆ We have sourced quality stationery at very competitive prices.

Your school donation helps provide extra resources and learning opportunities for your children.
