

Welcome to Katikati Primary School

Dear Parents/Caregivers,

Like you, we want your child to have the best start at KKPS and the more information we have about your child, the better their start will be. Every child is unique and some require more support than others when starting school.

If your child has any of the following, please contact the appropriate Deputy Principal so we can make an appointment to meet with you. The information you give us will enable us to put support or strategies in place to help your child.

- Special support at their current school e.g. RTLB (Resource Teacher of Learning & Behaviour), Teacher Aide hours, Speech Language Therapy, SE (Special Education Support)
- Learning issues e.g. Dyslexia
- Behaviour concerns (anger, anxiety etc)
- Autism/Aspergers/ADHD
- Pastoral (change in family circumstances, trauma)
- Medical issues/allergies
- English as a Second Language

You are very welcome to meet with us to discuss your child, regardless of whether they have any of these things listed above. We look forward to hearing from you and working together to ensure a smooth transition for your child.
